

## Today's News - August 18, 2003

We lose a master American designer. – Arcspace offers preliminary and final designs from around the world. – Gotham Gazette offered a look at potential for a blackout last week, and goes back to the experts. – Perhaps Baghdad and New York can learn more from Frank Lloyd Wright than Robert Moses. – A critical look at critical takes on women in architecture. – Prefab as creative Lego architecture. – Of despots and plastic chandeliers. – Big plans for a Chicago diamond-in-the-rough and a Sacramento mixed-use medical expansion. – Avon calls on a community with a large R&D facility. – When a museum outshines what it was built to exhibit. – A nostalgia fest in Sydney, and who's who of architecture in Valencia. - Germany's Holocaust Memorial finally getting off the ground (and might make a fine place for picnics and skateboarding). – Vail seeking unconventional convention center design? – Technology advances the virtual building experience.
